We Did It. Together.

2012 We're excited to celebrate a \$5,000 donation to one national hunger relief organization in 2012.

2013 In the coming years, we'll be focusing on a new strategy—where you buy is where we give. Wherever you purchase **Earth2 Edibles** products is where we make our donation commitments, to proven and vetted relief organizations in each state. The more you help us grow, the more we can donate in your region.
